STRATEGY UPDATE

Te Kawau Rukuroa

Te Kawau Rukuroa

Our 2050 strategy is named Te Kawau Rukuroa, Kawau being the great and bold Cormorant bird, also known as the Black Shag. Rukuroa refers to the performance of the Kawau.

The Kawau is a renowned hunter that takes time to observe its environment from land to sea to identify its target and plan its move. Once decided, the Kawau moves swiftly and with laser focus to break the surface of the water with its beak to capture its prey. It then re-emerges to settle on the surface of water to enjoy the fruits of its labour and reset for the next move.

Just as the Kawau exhorts focus in its quest to reach its goal, our strategy urges Maniapoto people to charge forward, unyielding, to Te Whatu Maturangi.

Needs something here

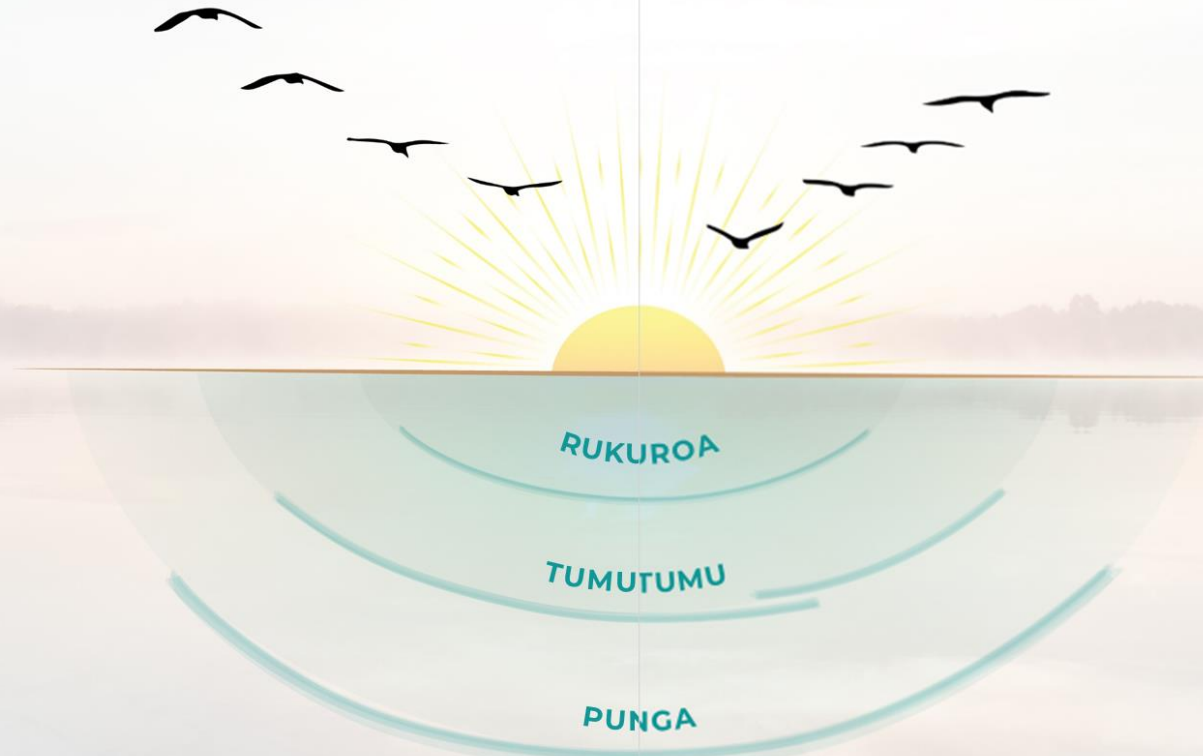

Te Kawau Rukuroa provides a sense of what is important to Te Nehenehenui today in 2023, and the long-term aspirations of our people through to 2050 and beyond.

Our 2050 journey is made up of key strategic milestones that show the goals that we want to achieve along the way.

We have used the concept of Punga, Tumutumu, and Rukuroa based on the Kawau whakapapa to denote these key strategic milestones.

Whatu Maturangi

He iwi punga kainga, he iwi tumutumu, he iwi rukuroa
Our people are grounded, our people are vigilant, and enabled, our people are empowered

Te Whatu Maturangi

Te Whatu Maturangi is our 2050 vision. Whatu refers to the pupil of the eye, being sharp and focused, and maturangi is the horizon. Te Rā (the Sun) symbolises the destination and māramatanga. Te Kawau Rukuroa is vigilant and maintains direction to Te Whatu Maturangi.

Our 2050 vision is to realise the aspirations of our tūpuna; that we are grounded, strong in our identity; vigilant and enable, and empowered to take control of our own destiny.

Punga – Anchored

Our immediate focus is on weaving together our resources, setting the foundations, all working towards Te Whatu Maturangi, the same shared vision. Our people are grounded and connected in our identity as Maniapoto.

Tumutumu – Prepared

The work we have completed in the Punga stage is put into action and beginning to pay off. Our people are vigilant and enabled.

Rukuroa – Empowered

The strategy is fully executed and a state of mana motuhake is achieved. Our people are empowered to take control of their own destiny.

While Te Kawau Rukuroa is framed by a timeline from 2023 to 2050, this strategy supports a collective and intergenerational vision where whānau will recognise sustained benefits well beyond 2050.

Feedback from Iwi Engagement Hui

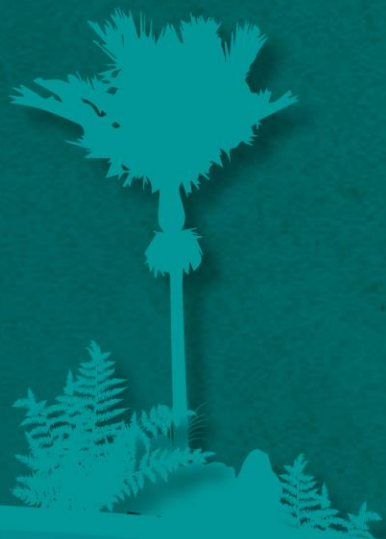

- Well received by all and positive comments made at all hui.
- Changes being made from the hui
 - Stronger focus on how our whare are involved
 - Whare will need to be established with a focus on supporting the marae listed under them
 - Developing capability and capacity for whare to be engaged with the planning of our rohe
 - TNN to support developing 5 year focuses of each Whare supporting future planning and relationship management with key councils

17 engagement hui held across Aotearoa and Australia.

Within the rohe	
100 – 120	Attendance
Locations	<i>Te Kūiti, Maniaiti, Taumarunui, Piopio, Ōtorohanga</i>
Outside the rohe	
180 – 200	Attendance
Locations	<i>Hamilton, Auckland, Napier, Rotorua, Palmerston North, Wellington, Nelson and Christchurch</i>
Australia	
90-100	Attendance
Locations	<i>Gold Coast, Perth, Melbourne and Sydney</i>

INVESTMENT POLICY SUMMARY

- Our investment activities will adhere to our values and beliefs of Aroha, Whakapono, Ture, Māoritanga, and Kotahitanga.
- Both financial and ethical matters are considered in our approach to responsible investing.
- Ensure that **Environmental, Social, Governance, and Cultural (ESGC)** factors are part of the due diligence we conduct on investments and their ongoing monitoring.
- Companies with **good ESGC** practices that align with our values will perform better over the long term, with less downside risk.
- Our ESGC approach is expected to reduce our exposure to greenhouse gas emissions very significantly compared to market benchmarks. We will measure and monitor our greenhouse gas emissions (to the extent possible) at the portfolio level to ensure our investments have a low carbon focus.

OUR INVESTMENT BELIEFS:

To protect and grow the assets of TNN after adjusting for inflation.

Diversified portfolio of assets with a **60/40** split between growth and income.

Inter-generational investor will outperform a short-term investor.

Expected return of **6.0% p.a** from our assets after investment costs and tax.

Target return of **7.0% p.a** from our assets after investment costs and tax.

Our values and beliefs are applied to our investment activities including our commitment to the Taiao.

WE WON'T INVEST IN:

COMPANIES MANUFACTURING:

CLUSTER MUNITIONS

LAND MINES

TOBACCO PRODUCTS

Gambling, companies involved in the production and retailing of automatic and semi-automatic civilian firearms

BIOLOGICAL WEAPONS

CHEMICAL WEAPONS

NUCLEAR WEAPONS

Any company that is found to be engaging in child or forced labour.

Wednesday 3rd of May

A contingent of Maniapoto were formally received by Te Ātiawa, Hon. Minister Andrew Little and Te Arawhiti staff on Parliament grounds, Wellington on) for the planting ceremony of Te Paimuri, the rākau tōtara gifted to the Crown at Te Kūiti Pā, in December 2022.

Te Paimuri, meaning goodwill and prosperity in the future, symbolises a new relationship of true partnership between Ngāti Maniapoto and the Crown. The name, Te Paimuri, derives from Rewi Manga Maniapoto, 1869.

Included in the formalities was Pūniu Ora ceremonial spade, Makakāheru.

On **Wednesday 15th April 1885**, a Turning of the Sod ceremony was held on the southern side of the Pūniu river, which marked the opening of our rohe. At that ceremony, Reihana Wahanui Te Huatare proposed Tūrongo as the name for the railway line within the Maniapoto rohe.

134 years later, in September 2019, the fulfilment of that proposal was realised and the railway line within the rohe was officially recognised as **Te Ara o Tūrongo**.

On Saturday **15th April 2023**, over 500 people attended the iwi ceremony at Te Māwhai, symbolic of the original ceremony.
